SUBJECT

Re the acquisition
of Certain properties
Krishnaraj Mohalla
No IV Drainage Area.

Improvement Regulation, from its owner Siddurlah for Rs 450/-

2. The said Siddurlah executed a mutchalika to part with the property for the above amount Before making payment, --- however, counter claims on the property from three persons -- were received at this office as particularised on the margin

1. Claim of Srinivasa Raghava Char, Liquidator of the -- Srinivas Bank, as purchaser of the property in the Court auction sale
2 Claim of Kodanda Pani Setty as its hypothecatee
3 Claim of Hutchamma for --- Rs.30/-

There was besides a sum of Rs 50-8-0 due by the said --- Siddurlah to the -- Trust Board on ---- account of the value of the site and old building materials he had purchased These claims being settled, and the dues -- adjusted, there remained a sum of Rs 108-14-0 for payment to the said Siddurlah out of the compensation fixed

3 Siddurlah would not consent to receive the said ---- balance, protesting on frivilous grounds against the payment -- of Rs 75-10-0 made to the first claimant Being still in --- occupation of the house, he offers resistance to its being -- taken possession of by the Board The procedure laid down in the Land Acquisition Regulation not having been followed, the --- Magistrate having jurisdiction cannot be approached under Sec 47 of the said Regulation for making over possession of the -- property for which compensation has been settled and part ---

3

part payment also made

Under these circumstances, it is proposed to ---- acquire the above property formally under the provisions of the Land Acquisition Regulation, and the declaration statement in that behalf in English and Kannada is submitted for favour of its being published in the Mysore Gazette under your ----- signature

5 Regarding the second property, plan No.32, it is submitted that the extent noted in the accompanying declara--tion statement, represents only a part of the original property the remaining part having been previously acquired by the --- Board on the 21st October 1908 for Rs 300/- . The estimated -- value of the existing portion of the building is Rs 276/- -- This amount can be met from the amount of Rs 10,000 provided in the ensuing year's Budget Estimates for acquisition of -- properties in Krishnaraj Mohalla.

Both Siddurlah's and Hari Singh's properties referred to in this communication, are insanitary buildings. Standing as they are solitarily amidst areas cleared of all other ---- insanitary houses, as shown in the accompanying plan, their removal is absolutely necessary

I request you, therefore, to be so good as to obtain
